Donor report

Attached to this memo in a confidential envelope is the most recent donor report for your parish. Please review it closely. We ask you to pay special attention to those families that have not paid anything toward their pledge. Perhaps a gentle reminder to keep pace with their pledge payments is in order. Please review the redemption manual for sample announcements and letters. If you would like another copy or assistance in your redemption efforts, please call our office.

Of special note, please remember that any parish that had a Bishop's leadership donor in their roster will have a different share of the parish rebate. Please refer to the diocesan website for your actual parish rebate.

Parish Rebates

To date, more than \$5 million has been returned to parishes for parish needs as identified in the parish case statements. Please remember to use the DIAL withdrawal request form located on the diocesan website. Eleven parishes in the diocese are now collecting 80% of funds collected now that they have exceeded their goal.
