

About “Family Flyers:”

“Family Flyers” are produced by the National Association of Catholic Family Life Ministers (NACFLM). Because our diocese is a NACFLM member diocese, permission is granted for our parishes to reproduce these fliers for their parishioners. They can be used in a number of ways, including:

- Posting on the parish website
- Copying as a take-home bulletin for children in religious education
- Using as a family activity in family faith formation sessions
- Using as a once-a-month parish bulletin stuffer

If your parish has both English- and Spanish-Speaking members, you may wish to print the Family Flyers with English on one side and Spanish on the other. They are all one page in length, so this should be fairly easy to do.
